## **COMPLAINT**

The Plaintiffs, Garth Marchant, pro se, Arlene Dacares, Carloyn Younger Nolan, Larry L. Moore, Anna Burrell, Jacequeline Davis, Tamara Powell, Natasha Collins, Pamela Hazel, Ollie Goins, Stephen S. Jones, Michael Davalle, Adrienne Richardson, Chauntae Brown,

Linval Wilson, David B. Kayode, Earl A. Rose, Jacci A. Hurdle, Shadai Mears, Sonya Simmons, Kewana Johnson, Constantine Jean-Pierre, Bishop Frank Best, Thelma Davis, state that:

1. The Plaintiffs herein are filing a summons and complaint and is moving by Order to Show Cause, bringing a motion for injunction directing the Board of Election to restore the rights of voters to vote and for an injunction directing the New York City Board of Elections to place Everly D. Brown on as a candidate for District Attorney for Queens County, in the City and State of New York in the Democratic Primary to be held on September 13<sup>th</sup>, 2011.
2. This jurisdiction of this Court and Plaintiffs rights to bring this action are founded under the National Voting Rights Act (NVRA) 42 U.S.C. § 15483 (a) 8) 42 U.S.C. § 1983, 1988, First Amendment right to political association and Free Speech and Fourteenth Amendment rights to due process and equal protection of law.
3. The Plaintiffs are duly qualified voters in Queens County in the State of New York.
4. Two Plaintiffs who were witnesses to the signatures of the Petition were ruled as not registered by the Board of Elections. Anna Burrell and Larry Moore placed their current addresses in the witness statement. If these witnesses were to place their old addresses from which they were registered, the information would have contained a material false statement. Section 8 of the Voting Rights Act (HAVA) allows a voter to move without notifying the Board. Under HAVA all of the

signatures collected by these Plaintiffs should have been ruled valid. This action caused their candidate of choice to be removed from the ballot.

5. There are approximately 1,950 voters who signed the Petition of Everly D. Brown, who were ruled as not registered by the Board of Elections. These signors of the Petition are registered voters. They were ruled not registered by the Board because they placed opposite their signatures their current address and not the address where they were registered. See attached listing of all these voters attached along with their voters' cards. The removal of the voters from the Voter List is a violation of the HAVA Act Section 8. The New York City Board of Election deliberately under counted the valid signatures of Everly D. Brown. By invaliding 1,950 voters signatures, the Board of Election is denying the voters' rights under HAVA Section 8. This action denies the voters the right to choose a candidate of their choice, in the countywide election for District Attorney in the Queens County.
6. The rights of the voters herein pertains to an election for District Attorney in Queens, New York, which area is within the jurisdiction of this United States District Court, Eastern District of New York.
7. Voters also seek the right to vote in the Primary for a Federal Election.
8. That on or about July 14, 2011, a petition containing approximately 7,510 signatures were filed at the NYC Board of Election for Everly Brown for District Attorney Queens County for this Democratic Primary September 13, 2011.
9. That on or about August 2, 2011, the NYC Board of Elections held a Commissioners Hearing to rule on the petition. At the hearing, Mr. Steve

Richman, General Counsel of NYC Board of Elections, ruled that Everly D. Brown was disqualified because he was not an Attorney. He cited a NYS Court of Appeal's Decision. The NYC Board of Election is a ministerial body and cannot make judicial decisions. This decision to disqualify Everly D. Brown belongs in the NY State Supreme Court, Queens County. In the Supreme Court, Queens County, Judge Phyllis Orlikoff Flug refused to disqualify Everly D. Brown. First, the New York State constitution states that you do not have to be an attorney to run for District Attorney. Second, the US Constitution states that no state shall put restriction on a public office except citizenship, age and residence. The District Attorney Office of Queens County is a public office and not a Judicial office. Third, Mr. Steve Richman and the NYC Board of Election Commissioners denied the rights of 7,510 voters who signed Everly D. Brown's petition. The reason is that under Election Law Sec 6-148, there is a committee of vacancies which allows substitution of the candidate if Everly Brown was disqualified. The NYC Board of Elections Commissioners at the ruling of Mr. Steve Richman dismissed Everly D. Brown petitions, thus denying over 7,510 voters due process and thereby also committed violations of the US Constitution and the NY State Constitution.

10. The NYC Board of Elections Commissioners also dismissed Everly D. Brown's petition on the ground that it did not contain 4,000 valid signatures. The Board ruled that Everly D. Brown's petition contained 2,389 valid signatures. The problem is that the signature requirement for a county wide race in New York City is 2,000. The voters in NYC voted to amend the requirement for signatures

for countywide races from 4,000 to 2,000. Furthermore, the requirement for signatures for Nassau, Suffolk and West Chester Counties is 2,000. Nassau County has a larger population than 3 counties in New York City. New York, Bronx and Richmond Counties and Nassau County have a slightly less population than Queens County. The District Attorney for Queens County is a countywide election and thus the signature requirement is 2,000.

11. Furthermore, the NYC Board of Election Commissioners had no jurisdiction to hear any objection against Everly Brown's petition because it violated the rules of the Board and it was not in proper form. Also the Board did not serve Everly Brown a copy of the clerk's report, 24 hours before the Hearing according to the rules of the NYC Board of Elections. The Board refused to hear any reason by Plaintiff, Garth Marchant. President of the NYC Board of Election, Juan Carlos Polanco and Queens Commissioner Jose Araujo, ordered that Everly Brown and Plaintiff, Garth Marchant be arrested by the NYC Police. After protest, the NYC Police refused to arrest Everly Brown and Garth Marchant. The Board then moved the clerk's report and disqualified Everly Brown from the Ballot. The fact is that there has been no contested democratic primary for District Attorney for Queens County in the last 50 years. There have been no primary or general election opponent for Richard Brown in his 20 years in office.

12. The Democratic Party Commissioner from Queens County, Jose Miguel Araujo, moved to approve the Clerk's Report and would not allow Plaintiff, Garth Marchant, to present his report. Upon information and belief, Jose Miguel Araujo was appointed by the Queens County Democratic Party Chairman whose lawyers

were opposing the candidacy of Everly D. Brown. Commissioner Jose Miguel Araujo, who is also an attorney, caused great injustices and egregious United States constitutional violations to occur. This causes basic constitutional rights of voters and candidates including insurgent and independent candidates as well as the Plaintiffs in this case to be deprived of their basic rights to vote and also their rights to vote for Everly D. Brown by the action of Commissioner Jose Miguel Araujo, the Queens County Board of Election and the New York City Board of Elections and its' President Juan Carlos Polanco.

13. Furthermore Commissioner Jose Miguel Araujo should have recused himself from the Board's decision because of the obvious conflict of interest. Due to his actions, Commissioner Jose Miguel Araujo, upon information and belief, has acted injuriously and in violation of the constitutional rights of the voters who signed the petition of Everly D. Brown, as well as, the constitutionally protected rights of the voters who he removed from the voters list.
14.
  - a. In fact in this case said operatives of the NYC Board of Elections, upon information and belief, have acted injuriously and in violation of the constitutional rights of the voters who signed the petitions of Everly D. Brown as well as constitutionally protected rights of Everly D. Brown.
  - b. Upon information and belief, the actions of the NYC Board of Elections clearly favor the candidates and supporters of the candidates of the Democratic Party County Chairman and against insurgent or independent candidates.

c. The manner in which the Queens County Board of Elections and the New York City Board of Election and their employees have conducted themselves violate the people's protected constitutional rights to fair and non partisan elections and is evident by the actions of Commissioner Jose Miguel Araujo and President Juan Carlos Polanco.

**FIRST CAUSE OF ACTION**

That the New York City Board of Election and the New York State Election law ruling that 4,000 signatures be required for the Office of District Attorney in Queens County, is unconstitutional. The fact that three counties surrounding NYC, Nassau, Suffolk, and Westchester all require 2,000 each, are an unfair burden on the residents of Queens County and is a violation of the equal protection Clause of the United States Constitution to require the voters of Queens County to have 4,000 signatures to make the ballot, and serves no compelling State interest.

**SECOND CAUSE OF ACTION**

The New York City Board of Election upon the ruling of Steve Richman ruled that signors and subscribing witnesses who are registered but placed their current addresses on the Petition are not registered. This action by the NYC Board of Election and its General Counsel, Steve Richman should be ruled unconstitutional by this court as it is a violation of the National Voting Rights Act Section 8 HAVA, the New York State Constitution and the US Constitution. If all the voter rights are restored, Everly Brown petition would have well over 4,000 signatures thus placing him on the ballot.

**THIRD CAUSE OF ACTION**

Petitioner, Shadai Mears is a registered voter who is not enrolled in any party (Blank). She is a witness to Everly Brown Petition. All her signatures were ruled invalid because she is not enrolled in the Democratic Party. This section of the New York State Election Law should be ruled unconstitutional. Any voter should have the right to be a witness to a signature.

**FOURTH CAUSE OF ACTION**

The composition of the Commissioners of the New York City Board of Election is unconstitutional. The Board is comprised of ten commissioners, one Democrat and one Republican from each of the five counties of New York City. There are no representatives from the other parties in New York City. The Independence, Conservatives, Working Families, Green and Blank parties have no representation on the Board. The fact is that the total registered voters who choose not to enroll in any party (Blank) have a higher amount of registered members than the Republican Party in Queens County. Therefore Plaintiff, Shadai Mears does not have any representation on the New York City Board of Election. All parties should be represented on the Board and especially the second largest party in the City (Blank Voters).

**FIFTH CAUSE OF ACTION**

The requirement that in order for a person to work as an inspector for the New York City Board of Election, they must be a Democrat or a Republican, should be unconstitutional. The fact that Plaintiff, Shadai Mears, is prohibited from working as an inspector is unconstitutional.

WHEREFORE, the Plaintiffs are herein seeking the following remedies:

- A. That the New York City Board of Election restore the voting rights of voters that they removed from the voters list.
- B. That the New York City Board of Election place on the ballot for the Democratic Primary on September 13, 2011, the name of Everly D. Brown as a Democratic candidate for District Attorney in Queens County.
- C. That the Court invalidate and hold unconstitutional the Election law that requires one to be registered voter of the Party in which a Primary is held in order for that person to be a witness to signatures on the Petition.
- D. That the Court invalidate and hold unconstitutional the Election law that prevents a citizen voter from bringing an action in the State Supreme Court to validate a petition and the Section of the law that prevents a candidate from validating a Petition after the Board of Election places them on the ballot.
- E. The Court rule and hold unconstitutional the Election law that prevents a duly registered voter to work as an inspector for the New York City Board of Elections or New York State Board of Elections, unless they are registered as a Democrat or Republican.
- F. The Court rule and hold unconstitutional the composition of the NYC Board of Election Commissioners and to ensure that all parties are fairly represented on the Board.
- G. That the Courts holds Queens County Democratic Party Commissioner, Jose Miguel Araujo of the New York City Board of Election, The President of the NYC Board of Election, Juan Carlos Polanco, and General Counsel of NYC

Board of Elections, Steve Richman, personally liable for their actions taken in denying the voters rights.

H. That the Plaintiffs be paid damages the sum of \$3,000,000.00 per plaintiff or the total sum of \$72,000,000.00.

I. That the Plaintiffs be paid the costs of this action.

Plaintiff further prays that this Court order such other relief as the interests of justice may require, together with the costs and disbursements of this action.
